## Products of the month

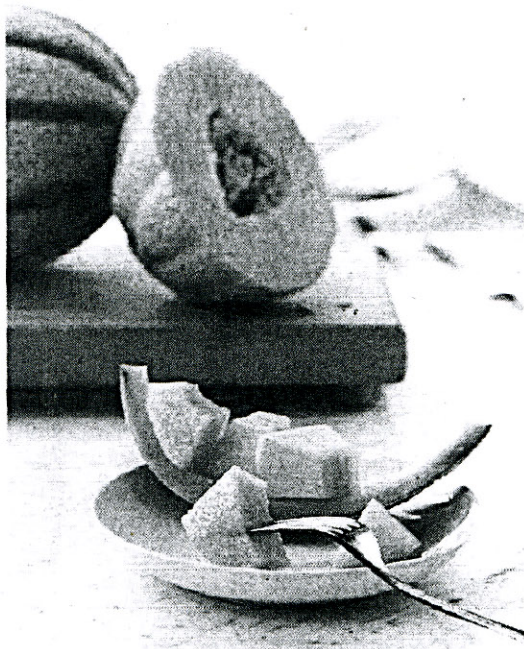

### **NYLON BAG, \$5**

**Problem:** Plastic or paper? They both create trash.

**Solution:** Use the sturdy, lightweight ChicoBag as a grab-and-go tote for groceries, takeout or other small items. Each bag holds up to 20 pounds and folds easily into an attached pouch. Stash one in the glove compartment and another in your purse.

### **CANTALOUPE, \$4**

**Problem:** You sliced too soon and got a mouthful of unripe melon.

**Solution:** Choose Dulcinea Extra Sweet Tuscan Style cantaloupes, which are bred so the rind's grooves change from dark green to gold when they are ripe. Tasty melon, any way you slice it.
